Art McOmber hails from Saratoga Springs, UT and his greatest successes are his marriage to Barbara for 29 years and their four children. Art spent his first career working as a Special Agent for the Federal Bureau of Investigation. Afterwards he successfully transitioned to the business world where he has helped thousands of people of all backgrounds protect themselves from becoming victims of crime and lawsuits. Today he will be teaching us how to eliminate the threat of lawsuits, protect your medical license, and greatly increase your tax savings.
